VU INT II 146/5-5, VRS 620/3, VIH S 300, VFK 145 V, solar additional pump Vaillant

Energy label for heating system showing a boiler icon, a radiator icon, and a tap icon with 'XL'. Both the radiator and tap icons have a black arrow pointing to the left with the letter 'A' inside, indicating an energy class of A.

Energy scale for heating system with a radiator icon at the top. The scale consists of horizontal bars of increasing length from A+++ (green) to G (red). A black arrow points to the 'A' class on the right side of the scale.

Energy label for hot water system showing four categories: solar (plus sign, solar panel icon, crossed box), tank (plus sign, tank icon, crossed box), control (plus sign, hand icon, crossed box), and boiler (plus sign, boiler icon, empty box).

Energy scale for hot water system with a tap icon labeled 'XL' at the top. The scale consists of horizontal bars of increasing length from A+++ (green) to G (red). A black arrow points to the 'A+' class on the right side of the scale.
